PREFACE

I am delighted to present the 2024 Enugu Diocesan Programme to you. The purpose of this compilation is to create a synergy of activities among the various administrative arms, organs and institutions at the parish, deanery and diocesan levels. It also aims at enhancing the mutual cooperation between the Diocese and the various Religious Institutes within its jurisdiction.

Hence, it is highly important to note that we have diocesan functions that call for the cooperation of the clergy, the religious and the laity. They concern all of us and command our support, solidarity, and commitment. In fact, for the smooth running of our diocese, every person should help to foster all diocesan celebrations. **They are our celebrations. Parish Priests should not only encourage their parishioners to attend such functions, but should also not fix any conflicting function in their parishes on the days they occur. Religious institutes are discouraged from organizing events or functions that conflict with that of the diocese.** During the Curia meeting of January 18, 2011, identified as CDE CM 15, diocesan functions were defined to be the following:

- i. **Diocesan Silver/Golden Jubilees.**
- ii. **Diocesan Ordinations.**
- iii. **Diocesan Pilgrimage to Marian Pilgrimage Centre, Ugwogo Nike, on August 15 or on the Saturday following the Solemnity of Assumption.**
- iv. **Diocesan Pastoral Council Meeting: It was decided in CDE CM 15 that Pastoral Council Meeting should involve every priest, both Parish Priests and their Assistants. The reason is that at the meeting, the life of the Diocese is discussed, and every priest should know what obtains in the Diocese.**
- v. **Maundy Thursday Celebration /Chrism Mass.**

- vi. **Cathedraticum: This is currently organized on deanery basis.**
- vii. **All Souls Commemoration.**
- viii. **Visitations of diocesan character like the coming of the Pope or the Nuncio.**
- ix. **Burial of Priests.**
- x. **Other events determined as such by the Bishop and Curia.**

NOTE: *All activities that run contrary to the above programmes are automatically cancelled unless the Diocesan Bishop states otherwise.*

There are other important functions that concern priests alone, but they require that nothing should be fixed in the parishes to run concurrently with them. They are as follows:

- i. **All Priests' Meetings**
- ii. **Priests' Recollections/Retreats**
- iii. **Seminars for Priests**
- iv. **Priests' Silver/Golden Jubilee Celebrations**
- v. **Month's Mind of Priests**
- vi. **Burial of Priests' Parents**

Some of these functions that are now organized according to deaneries require the attention of deanery members as the case may be. We, therefore, appeal to all to ensure that these functions are accorded their due importance. We pray for a successful realization of these programs. God bless you as you respond.

Very Rev. Fr. Wilfred Chidi Agubuchie
